A Valley of the Sun J family membership is required to register for the Alison Hendeles Early Childhood program.

A non-refundable \$300 registration fee is due at the time of registration. For families with more than one child, each additional registration fee is \$200. Enrollment will only be guaranteed with the non-refundable and non-transferable registration fee paid up front.

All accounts must be current without an outstanding balance. A written notification of withdrawal must be submitted to the ECC administration no later than the last business day of the month prior to when the payment is due. Late notice will result in an additional month charged to the account on file.

Families can choose their boundary schedule and are expected to drop-off and pick-up within those chosen boundary hours (fixed start/end on the hour or half hour). We plan our staffing accordingly. If you need flexibility from day-to-day, please choose the widest range of hours to cover your needs across the week.

Any time used before or after your chosen boundary schedule will be charged at \$10 for each 10-minute increment. Families who need occasional supplemental care can book (when available) with a minimum of 14 days advance reservation at \$25 per hour, or part thereof. Supplemental hours are non-refundable, non-transferable, and due at booking.

Our school closes at 5:30pm (noon on half days). There is no grace period for late pick-up. Pick-up after closing is charged at \$20 for each 10 minutes or part thereof. If you are more than 30 minutes late, an additional \$50 fee will be charged for each 30-minute increment or part thereof on top of the continuing \$20 per 10-minute fee.

The ECC school year runs from August to May, with the Kochavim Day Camp operating for 9 weeks starting in late May, through the end of July. Families can choose 12 monthly payments for year-round attendance or 10 monthly payments if opting out of the summer program. Partial summer participation is available when space permits; details are on the Kochavim Day Camp sheet.

Tuition is not prorated for part-time attendance or when enrolling in the middle of the month or leaving prior to the end of the month. There are no deductions, credits, or refunds for days absent due to illness, vacations, holidays, community/national emergencies, or program closures due to weather, natural disasters, or utility outages.

There will be no school on September 1, 23-24, October 2, 31, November 26-28, December 22-26, 31, January 1-2, February 13, March 31, April 2-3, 29, May 18-22, 25, and July 4. In addition, we will have noon closures on August 19, September 22, October 1, November 11, March 20, April 1, 29, and May 15.

Any changes made to a child's schedule after May 1 will result in a \$35 change fee each time a change is made. There is no cost for changes made to payment methods (payment made via credit card may be subject to transaction fees).

Financial assistance is available to those who qualify. Applicants must submit a registration form with the complete registration fee prior to submitting a financial aid request. If you choose to withdraw due to a lack of financial assistance, the registration fee will be returned. Financial Aid forms can be found on the Valley of the Sun J website.
